LEON HESS

Chairman of the Board

At the end of the 1989 season the Jets were flying low. But Chairman of the Board Leon Hess made a bold decision to change the direction of the club. He began a search for the best "football" man to run the club and in December 1989, he named Dick Steinberg to the post of vice-president and general manager. A month and a half later, Steinberg named former Cincinnati offensive coordinator Bruce Coslet as head coach.

"We are very optimistic about where we are going from here," said Hess. "We will end up with a winning team. The fans want a championship, the fans deserve it. The organization wants it, the organization deserves it. Leon Hess, at my age, would sure love to see a winning team while I can still enjoy it with our fans."

Since then, the Jets have been gaining altitude, rising from a 4-12 record and last place in the AFC Eastern Division, to an 8-8 record and their first appearance in the playoffs since 1986. And now, they are poised for another takeoff, as they look to join the NFL's elite.

Hess has continuously sought the finest football facilities for both the players and fans throughout the years.

After citing Shea Stadium as "the NFL's poorest facility for athletes and spectators alike," Hess announced plans to move to the Meadowlands prior to the 1984 season. As a result, during the last eight seasons, thousands of additional Jets' fans have had the opportunity to watch NFL football in comfort and safety, in modern, clean surroundings, with proper facilities, adequate parking and good football sight-lines.

In addition, Hess has continued to provide the Jets' players and staff with outstanding facilities by building an ultra-modern locker room at the Meadowlands and by improving the Weeb Ewbank training complex at Hofstra University with a new AstroTurf field, a new locker room and weight room and additional offices.

In 1983, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame Dinner. He joined an impressive list of past winners including Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

Hess, the Chairman of the Board of the Amerada Hess Corporation, has been the sole owner of the Jets since 1984 and has been actively involved in the development of the club since acquiring part of the franchise in 1963.

STEVE GUTMAN

President

In recent years' the Jets organization has seen several changes that have brought marked improvement and a measure of respect among the ranks of professional sports. One of the key people responsible for those changes is Steve Gutman.

In his position as president, Gutman has exhibited strong leadership and has been a leading figure in the rebuilding of the team and the front office. He and Chairman of the Board Leon Hess led the search which resulted in the hiring of Dick Steinberg as general manager in 1989. That move and Steinberg's subsequent hiring of Bruce Coslet as head coach steered the team in the right direction, resulting last year, in its first appearance in the playoffs since 1986.

"The changes in football management that took place have been very positive and constructive," said Gutman. "I think Dick Steinberg and Bruce Coslet and his staff and the scouting department have done a terrific job. We have maintained a corps of veterans to build upon, yet we replaced half the team. Our objective has been to get the atmosphere for the 1990's established and I think we have been successful. We are confident that sometime in the 1990's we are going to have a team that everyone who follows us is happy about, most of all our fans."

Gutman, who works closely with Hess, was named president on June 14, 1988. He has been with the Jets since 1977. His first 11 seasons were spent serving as the corporate treasurer-secretary and administrative manager. In that role he supervised the daily operation of the club and served on the Board of Directors. He also directed all of the Jets' fiscal operations including player contract negotiations, tickets and marketing. Gutman has added the responsibilities of the presidency while still directing all of the fiscal and daily operations of the club.

Gutman has been a respected figure around NFL circles. In 1991, he was appointed by NFL Commissioner Paul Tagliabue to the Management Council Work Group. He served as an economic consultant to the NFL Management Council during the 1982 collective bargaining sessions with the NFLPA. He is also a member of the players pension plan committee.

Prior to joining the Jets in 1977, Gutman was executive director of the Westchester County Guidance Center in New Rochelle. He has had extensive experience as a financial consultant in areas of securities, research, sales, underwriting, investment banking and management.

Gutman received his BS in accounting and MBA in corporate finance from New York University. He was born January 24, 1935 in the Bronx, New York. He and his wife, Carol, have three children, sons Fred and Rob and daughter Elise.

DICK STEINBERG

General Manager

Two seasons. That's all it's taken Jets vice-president and general manager Dick Steinberg to establish the rebuilding process that returned the Jets to the playoffs for the first time since 1986.

"We started the season with a lot of little things we wanted to do goal-wise," said Steinberg. "We accomplished some of those things. We were a much stronger team. We did close out stronger and we played better in the fourth quarter, and we won two games in overtime, but we're not an upper echelon NFL team yet."

That's where the Jets would like to be. And Steinberg thinks that they have set the proper groundwork.

"I think Bruce Coslet and the entire coaching staff came in here and established an entirely new environment that is very positive. The program has the players wanting to work hard and believing in what we're trying to do."

The rebuilding process began in 1990 with a team that had 23 players with one or fewer years of NFL experience. That team finished with a 6-10 record while having the lead at halftime in 11 games and after three quarters in seven games.

They learned from that experience, and in 1991 they finished in second place in the AFC East at 8-8 and made their first appearance in the playoffs in five years. The Jets also gained a measure of respect by finishing among the league leaders in several categories including total offense (4th in AFC/6th in NFL), rushing offense (4th in AFC/5th in NFL) and rushing defense (1st in AFC/4th in NFL).

"With Dick running the show, they've become an aggressive team," said 49er vice-president John McVay.

The Jets named Steinberg as vice-president and general manager of the club on December 18, 1989 giving the former New England Patriots director of player development full control of the Jets' football operations.

"Dick Steinberg was named vice-president and general manager of the Jets following extensive interviews with myself and president Steve Gutman which have led to our finding the best 'football' man to take full charge of our team's operations," said New York Jets owner Leon Hess. "Steinberg's authority and command of the football operations will be with full power to bring about those changes which are necessary to rebuild the team."

"Dick has been given full authority to run the football operation," said Jets president Steve Gutman. "Given the opportunity to get a Dick Steinberg, someone of that caliber and reputation, we had to do it."

STEINBERG *(continued)*

Steinberg came to New York not only highly regarded by the Jets, but also well respected by others in the NFL.

"I just think he's one of the better people we have in this business," said Giants' general manager George Young. "Does he have the background, knowledge, instincts, guts, work ethic? Has he been with winning teams and does he have ideas that give him a chance to win? It's 'yes' to all those things. Nobody is a sure thing, but I'll take my chances with a guy like him. Dick knows what it takes to win."

"Dick is a hard worker with a terrific eye for talent," said Chargers' general manager Bobby Beathard. "I think he has a good feel about the whole picture—coaching and the strengths and weaknesses of a team. He's not a guy who thinks he's some hot number. He's kind of laid back and easy to get along with."

Steinberg, who has selected the talent for two Super Bowl teams—the Patriots of Super Bowl XX in 1986 and the Rams of Super Bowl XIV in 1980—is considered one of the most knowledgeable minds in the NFL and a top talent hunter. He came to the Jets after nine years with the New England Patriots as director of player development. At New England Steinberg acquired Pro Bowlers Andre Tippett, Brian Holloway, Tony Collins, Irving Fryar and Fred Marion and traded for Sean Farrell to solidify its offensive line.

Steinberg originally left the Patriots as a scout (1971-76) to become director of college scouting for the Rams in June, 1976. He remained in that post until being promoted to the position of director of player personnel, a job he held until June, 1980. In his first draft with the Rams in 1977 his first four picks were Bob Brudzinski, Nolan Cromwell, Wendell Tyler and Vince Ferragamo, all key figures in their Super Bowl season.

After his four-year stay with the Rams, Steinberg joined then general manager Steve Rosenbloom as vice-president of player personnel with New Orleans. Steinberg later resigned that post on January 20, 1981 before rejoining the Patriots.

Regarding his philosophy on the draft Steinberg said, "If you get away from taking the best player on the board you're making a mistake. If you've got five good receivers, and you take another one, don't worry. That's been proven so many times. It comes back to haunt you. We don't mind stockpiling talent at all because the injury factor is so prevalent."

Steinberg prepared himself for the pressures of the NFL when he thought he wanted to become an NBA official in the early 1960's. At the time he was officiating games in the ACC and SEC and he went to work summer league games in Puerto Rico in 1963 to gain further experience. During one game Steinberg made a controversial call against the home team which went on to lose. Following the game the angry crowd attacked his van, turning it over and Dick and his partner were standing on the van's side wondering how they would escape. A police car showed up to escort them away. His officiating days ended soon after.

A native of Philadelphia, born August 9, 1935, Steinberg played football and majored in physical education and health at Temple University. In addition to serving a two-year tour of duty with the U.S. Army in France, Steinberg was a high school coach at Philadelphia's Roman Catholic High (1960-61) and at Staunton (VA) Military Academy (1961-64). He then entered the collegiate coaching ranks as an assistant at Vanderbilt (1964-66) and Kansas State (1967-69).

Following a brief stint as a scout with the Dallas Cowboys in 1969, Steinberg spent two seasons as an assistant coach at Southern Mississippi (1970-71) before joining the Patriots as a personnel scout under then-director of player personnel Bucko Kilroy. Steinberg served with the Patriots from 1972-76 before departing for the Rams.

BRUCE COSLET

Head Coach

Before the 1991 NFL season began, New York Jets head coach Bruce Coslet spoke of several goals for the young ball club—among them was “basically our goal this year is to challenge for a playoff spot and then see what happens. If we improve a significant amount, I don’t see any reason why we can’t contend for a playoff spot.”

Coslet was right on the money. The team improved to 8-8 while finishing second in the AFC East, and capturing a Wild Card spot in the last game of the regular season with a dramatic overtime win at Miami.

“We accomplished a lot this year,” said Coslet. “We’re not satisfied by any means, but we’ve come a long way in two years. I think we have a firm foundation and something to build from.”

If one word can describe Coslet’s tenure as the Jets’ head coach it is “improvement”. The Jets have improved in nearly every aspect of the game in just two years. The most obvious is in the won-lost column, where the Jets have improved from 4-12 in 1989 to 8-8 and a playoff appearance in 1991. The Jets rushing offense was up from 99.8 yards per game in 1989 to 135.0 in 1991, sacks were down from 62 to 33, and interceptions were down from 24 to 12.

On the other side of the ball, the total defense improved from allowing an average of 374.6 yards a game in ‘89 to 311.3 in ‘91. Rushing defense improved from 133.5 to 90.1 and passing defense from 241.1 to 221.2. In two seasons the turnover differential has gone from -17 to +12, with giveaways decreasing from 41 to 25 and take-aways increasing from 24 to 37.

In 1990, his first season as head coach, Coslet engineered the Jets rebuilding process. The team finished 6-10 with a squad that had 23 players with one or fewer years of NFL experience. Coslet was named the NFL’s Rookie Coach of the Year by **Football Digest**.

“I think Bruce came in here and established an entirely new environment that is very positive,” said Jets general manager Dick Steinberg. “The program has the players wanting to work hard and believing in what we’re trying to do.”

“Bruce’s inspiration is translated among the staff and players into a situation where everyone is really intensely and emotionally involved in this football team and that’s a very positive development,” said Jets president Steve Gutman.

The Jets named Coslet as the eighth full-time head coach in club history on February 6, 1990. Following extensive interviews, Steinberg decided on the former Cincinnati offensive coordinator as the man to lead the Jets into the ‘90s.

COSLET *(continued)*

"We looked for a strong motivator, a teacher and a disciplinarian, a guy who can get the most out of his players every time out, and we felt Bruce was that guy," said Steinberg. "We were looking for someone who could create a winning environment. In addition we got a man with one of the most innovative minds in the business."

"Having coached Bruce as a player and seen him grow as a coach, I know him as well as you can know someone," said Stanford head coach and former 49er head coach Bill Walsh. "He is extremely bright and his intellect is not common in athletics. Bruce is creative and has a solid knowledge of offensive football. He has proven to be at the cutting edge of the game."

Coslet has also earned the respect and admiration of his players through the years.

"I talked to guys who have played for him," said Steinberg. "Guys liked to play for him and they played hard."

"Bruce has a great rapport with the players and his football knowledge is unsurpassed by any coach," said Cincinnati QB Boomer Esiason. "He knows more about how to dissect a defense than anyone I've seen. He wasn't only my teacher, but my eyes."

"I'm a creation of all the people I've played with and worked for," said Coslet. That is quite a list, and Coslet has taken a little something from all of them including Walsh, Paul Brown, Sam Wyche, Forrest Gregg, Lindy Infante and Buddy Ryan.

The 45-year old Coslet, who is the 5th youngest head coach in the NFL (Cleveland's Bill Belichick, Pittsburgh's Bill Cowher, Raiders' Art Shell and Cincinnati's David Shula are younger), had been with the Cincinnati Bengals as a coach since 1981, the last four years as offensive coordinator. During his stretch as coordinator from 1986-89, the Bengals had one of the most explosive offensive schemes in the NFL. They had the NFL's number one offense twice (1986 and 1988), the NFL's top ranked rushing attack twice (1988 and 1989), and led the AFC in total offense three times (1986, 1988 and 1989). He also coached several Pro Bowlers including QB Boomer Esiason, T Anthony Munoz, TE Rodney Holman, RB James Brooks and G Max Montoya.

In 1988, Coslet was a key factor in the Bengals' trip to the Super Bowl, when his league-leading offense was averaging 378.6 yards per game, including 169.4 yards rushing.

When Coslet originally joined the Bengals' staff in 1981 as the TE and special teams coach, he became the first former Bengal player to join the coaching staff. In 1983 he was given the added responsibility for the Bengals' passing game, and then tutored the WRs in 1984-85 where he was credited with the development of two Pro Bowlers in WR Cris Collinsworth and TE Dan Ross, before taking over as the coordinator.

Originally signed as a free agent, Coslet played TE and special teams for the Bengals from 1969-76 and was coached by Walsh for seven of those eight seasons. He was special teams captain during six of his seasons while playing as a backup TE behind Bob Trumpy. Coslet's career receiving totals were 64-877-9 TD in the NFL. In 1968 he played TE in the CFL for the Edmonton Eskimos under Neil Armstrong before being released at the end of the season.

After retiring in 1976, Coslet went back home to Stockton, CA, where he opened and ran a successful construction business with over 250 employees from 1977-79, in addition to investing in a chain of delicatessens in the area. However, a visit to the 49er training camp in the summer of 1979 made him realize how much he missed football, and when he received a call from Walsh to assist the 49ers during training camp he jumped at the offer. Coslet stayed on as an assistant coach for the entire 1980 season before going to the Bengals in 1981.

He played TE at the University of the Pacific from 1965-67 under head coach Doug Scovil and defensive coordinator Buddy Ryan, and earned his BA in history and psychology.

Coslet was born August 5, 1946 in Oakdale, CA where he was a football standout at Joint High. He and his wife Kathy have two children, son J.J. 17 and daughter Amy 15.

MITCHELL (continued)

receiving...entered NFL draft after sophomore season...1st TE selected by Jets in 1st round since Jerome Barkum in 1972...2nd TE selected, 15th player...**1991:** named to UPI All-America team and All-Big 8 selection...led team with 31-534-17.2-5 TD receiving — the most receptions by a Husker since Irving Fryar's 40 in 1983...had big game in season finale vs. Oklahoma when he pulled down 7 passes for 137 yards...was 3-57 vs. Miami in the Orange Bowl...**1990:** named Big Eight's Freshman of the Year and was also named 1st team all-conference—the 1st Husker to earn those honors since Tom Novak in 1946...was 11-282-25.6-7 TD receiving...his 25.6 receiving avg. set a school record...all 11 receptions came in UN's final 6 games...had a string of 5 consecutive games with a TD, 1 shy of the school record set by Johnny Rodgers in 1971...his 7 TD grabs also tied a school record for most TD receiving by a TE first set by Junior Miller in 1979 and equalled by Todd Millikan in 1988...scored 1st career TD vs. Missouri...set a Nebraska bowl record when he caught 5 passes for 138 yards and 1 TD vs. Georgia Tech in the Citrus Bowl...**1989:** attended UN on a part-time basis to meet NCAA Proposition 48 requirements.

PERSONAL: Single...majored in human development (3.15 GPA)...worked out the past 2 years with Jets S Brian Washington...grew up idolizing SD TE Kellen Winslow...raised by his grandparents on their 150-acre farm (milked cows, fed the hogs and ducks and helped with the corn, bean, wheat and sugar cane crops) in Tchula, MS (Holmes County pop. 1100, one of the poorest counties in the country) to avoid the dangers of the tough area in Chicago where his parents lived...moved back to Chicago when he was 16 years old to pursue his sports career...cites the reason why he left Nebraska after his sophomore season was to help ease his parents and grandparents financial burden and spend more time with his ailing grandfather...an all-state selection at TE for Simeon High (88-923 receiving) in his hometown and birthplace of Chicago, IL...member of state championship team as a sophomore...teammate of DT Bill Johnson (CLE's 3rd pick)...also wrestled in high school and posted a record of 40-1 and finished 2nd in the state tournament...is ambidexterous.

Johnny is 6-3, 263 pounds and possesses the speed to get upfield (4.68). He is an excellent runner after he catches the ball. He's an explosive blocker—the kind that really fits into our power-blocking scheme. The downside of the guy, of course, is he's a youngster. He was born in 1971 and he has only 2 years of college experience, but at a very high level. Johnny is used to playing in front of 80,000 in big games. The real positive thing about Johnny is that he loves football. He loves to win, he's willing to do anything to become a good football player. Baseball people use the term, makeup, and he's got the kind of makeup that makes you feel he's going to become as good as his potential will allow him and that's pretty good.

—Jets GM Dick Steinberg

We think we selected a real fine football player who has a chance of being maybe a real good football player. Johnny's got the size and speed ratio you look for at the TE position. My first question is why isn't this guy a LB or playing in the NBA? That's the type of player or caliber of athlete that you look for at the TE position. We'll have to teach him our schemes and our system, but I think he's a fine blocker, a good pass receiver and can get into the end zone. He just turned 21 in January and that's rare in today's football. I like that.

1991 GAME-BY-GAME SUMMARY

Sept. 1, at Jets 16, Tampa Bay 13 (61,204) - Sunny, warm. "This was our home opener and it had a lot of significance," said Bruce Coslet following the Jets' 16-13 victory over Tampa Bay. Winning at home was one of the goals that Coslet had set in his offseason notebook. Against Tampa Bay, the Jets did that by winning in the 4th quarter, while converting 8 of 15 3rd down plays and holding the Bucs to 2-9 on 3rd down. The defense also forced Tampa Bay to settle for FGs after they drove to the NY 11 and NY 20 and saw the Bucs miss a 37-yard FG after driving to the NY 19. In the 4th quarter, the Jets came back from a 65-yard TD pass that tied the game at 13-13 and went on to win on Pat Leahy's 40-yard FG with 1:22 left. Blair Thomas was the game's most dominant player with 23-92 rushing.

Sept. 8, at Seattle 20, Jets 13 (56,770) - Indoors. Seattle scored all 20 of its points within a 9:20 period and the Jets never recovered as they lost in the Kingdome. NY managed an early 3-0 lead, but Seattle scored with no time left in the half, benefitting from 3 Jets' penalties inside the 20. The Seahawks opened the 2nd half with another FG and then came one of the biggest plays of the game as they recovered a fumble on the ensuing kickoff at the Jets 13-yard line. Two plays later they had a TD and a 13-3 lead. A 25-yard PR to the NY 25 set Seattle up for what proved to be the winning TD only 3:27 later and it went up for good at 20-3. Backup QB Troy Taylor took over for an injured Ken O'Brien in the final 3 minutes and got the Jets to within 7, but the Jets failed to recover the onsidess kick.

Sept. 15, Buffalo 23, at Jets 20 (65,309) - Warm, overcast. The Jets won everywhere but where it counted—on the scoreboard as they suffered a tough loss to the defending AFC champs. New York controlled the ball for an incredible 40:35. It rushed 37-168 and outgained the vaunted Bills' no huddle offense 388-304, but

the Bills came up with the big plays to continue undefeated. Buffalo gambled and won on a 4th and 6th play and followed with what proved to be the game-winner on a Jim Kelly to Thurman Thomas 15-yard TD pass with only 4:14 remaining. The Jets moved from their own 12 to the Buffalo 34 but Pat Leahy's 51-yard FG try was short. Earlier big plays included Buffalo coming up with an INT as the Jets tried for a TD from the B13 just before the half ended, and the Bills starting the 2nd half by recovering a Ken O'Brien fumble deep in Jet territory and converting it into a FG. Buffalo had come into the game off back-to-back 500-yard games vs. Miami and Pittsburgh, but the Jets' defense held it to 304 yards and sacked Kelly 4 times.

Sept. 23, at Chicago 19, Jets 13 (OT) (65,255) - Clear. It was a real case of Murphy's Law. Everything that could go wrong for the Jets went wrong. The Jets appeared to have the game against the undefeated Bears wrapped up in regulation time, but just under the 2 minute warning, Blair Thomas, who had a career-high game, had the ball taken away and the Bears drove 36 yards and tied the score with no time left. The Jets overcame that scenario and in OT marched from their own 20 to the C11 where Pat Leahy missed a 28-yard FG with 3:50 remaining. The Bears then made a series of big plays and moved the length of the field. They survived a TD reversal and on the next play scored from the NY1 for an incredible victory.

Sept. 29, at Jets 41, Miami 23 (71,170) - "Special teams did it. The defense and offense clicked. Kenny had a helluva game. Our lines played well. We did what it takes to win in this league," said Bruce Coslet after the Jets exorcised the football ghosts of the last 2 losses. Coslet called Chris Burkett's blocked punt and return for a TD, the "right hand punch" which sparked the team to victory. The Jets and Dolphins were in a seesaw game when Burkett blocked a punt and returned it 11 yards for a TD and the 2nd TD for the Jets in the space of 26 seconds for a 21-10 lead. After Miami narrowed the margin to 24-16, the Jets controlled the ball for 8:51

marching 76 yards on 15 plays. Erik McMillan iced it with an 83-yard INT return for a TD. NY's running game produced 206 yards on 37 carries. The Jets defensive line recorded 4 sacks, equalling the most times Dan Marino had ever been sacked in a game.

Oct. 6, Jets 17, at Cleveland 14 (71,042) - Windy, cool. "Other than the one drive for a TD, they didn't get anything. We dropped the ball and gave them a TD. And at the end, we took the football. This was a good game for us," said Bruce Coslet. The Jets produced a 14-0 halftime lead behind a solid defense and 2 long marches for TD. The 1st was an 80-yard, 14-play drive that consumed 8:38 and ended with Blair Thomas' 16-yard TD pass to Rob Moore. The 2nd TD came at the end of a 12-play, 72-yard march that took 5:59 off the clock. The Browns' took advantage of Thomas' fumble of a pass, and went only 7 yards for a TD and then followed with their only long drive of the day, going 72 yards in 13 plays to knot the score. Ken O'Brien then drove the club 74 yards to set up a Pat Leahy 28-yard FG. The defense made the 3 points stand up when Mike Brim forced a scrambling Bernie Kosar to fumble and James Hasty recovered at the NY40 with only 1:29 remaining.

Dec. 22, Jets 23, at Miami 20 (OT) (69,636) - Partly cloudy, warm. The Jets scored an incredible 23-20 OT win in Miami which put the club into the playoffs for the 1st time since 1986. The Jets led 17-13, but Miami scored a go-ahead TD with only :44 left. After the Jets returned the kickoff to the J30, they had only :38 to gain another life. Five plays later and no time left, the game was tied and into OT as Raul Allegre, who had been signed the previous Tuesday to replace an injured Pat Leahy, kicked a 44-yard FG. In OT, the Dolphins won the coin toss and got a 1st down at the NY49, but the Jets defense forced a punt. The Jets were at their own 23 and Ken O'Brien did what he did in the last :38 of regulation, he drove the Jets to victory. The offensive line opened the holes for veterans Johnny Hector and Freeman McNeil and they rushed for 46 yards combined with O'Brien's key 29-yard pass to Rob Moore to set up Allegre's game-winning 30-yard FG. The Jets had gained a 7-0 1st quarter lead and dominated the early play, but Miami stole an O'Brien pass with only :32 left in the half and tied the game as Dan Marino hit Mark Clayton with an 18-yard TD pass with no time left. The other big play of the game was turned in by Jets' LB Joe Kelly who picked off a Marino pass at the NY3 midway through the 4th quarter when the Jets were holding on to a slim 14-13 lead.

PLAYOFF UPSET—Freeman McNeil has the second best game in playoff history (202 yards rushing) and Darrol Ray sets a postseason record with a 98-yard interception for a TD as the Jets upset the Bengals 44-17 in Cincinnati to mark their first playoff win in 14 years (Jan. 9).

JETS ADVANCE—Aided by two Lance Mehl interceptions in the final three minutes the Jets advance to the AFC championship game after defeating the Raiders 17-14 in L.A. (Jan. 15).

CHAMPIONSHIP GAME—On an extremely muddy field at Miami's Orange Bowl the Jets and Dolphins waged a defensive battle which ended with Miami on top, 14-0. A.J. Duhe was the hero of the game that saw 12 turnovers with three interceptions including a 35-yard return for the insurance TD (Jan. 23).

COACHING CHANGE—After six seasons as head coach Walt Michaels announces his retirement. The next day offensive coordinator Joe Walton is named head coach and defensive coordinator Joe Gardi is promoted to ass't. head coach (Feb. 9, 10).

JETS MOVE—Citing Shea Stadium as "rundown, neglected and the NFL's poorest facility for athletes and spectators alike" the Jets announced their plans to move to the Meadowlands for the 1984 season. The Jets pledged to return to New York City if a first-class professional stadium is ready for occupancy starting in 1989 under a lease equitable to the city and the Jets (Oct. 6).

LAST GAME AT SHEA—The Jets drop a 34-7 decision to Pittsburgh in their final home game at Shea Stadium (Dec. 10).

PRO BOWLERS MVP—Marvin Powell is voted to the Pro Bowl for the fifth straight year while NFL sack leader Mark Gastineau and Joe Klecko are also chosen. Lance Mehl becomes the first defense player since 1971 to be picked MVP by his teammates (Dec. 14).

1984

OWNERSHIP SHIFT—Leon Hess assumed full ownership of the team as Helen Dillon, a partner since 1968, sold her 25% interest in the club (Feb. 9).

RICHARD TODD TRADED—The Jets concluded a full week of trading by sending QB Richard Todd to New Orleans for a 1st round pick (15th overall) (Feb. 18). Earlier in the week the Jets acquired a 2nd round draft choice by trading Abdul Salaam and Kenny Neil to San Diego (Feb. 13).

MEADOWLANDS—Jets moved into Giants Stadium in the Meadowlands dropping a 23-17 decision to Pittsburgh in a nationally televised Thursday night game despite a 97-yard KOR for a TD by Bobby Humphery (Sept. 6).

JETS-GIANTS—The Giants evened the regular season series between the two teams at two each with a 20-10 win. The loss overshadowed a fine performance by QB Ken O'Brien who finished with 28-40-351-TD. Freeman McNeil, the AFC's leading rusher at the time, played the game with a broken rib which ended his season. McNeil finished with 1070 yards rushing, the most ever by a Jet (Dec. 2).

PRO BOWLERS MVP—Freeman McNeil is named MVP by his teammates for the 2nd time in addition to being voted to the Pro Bowl. Mark Gastineau leads the NFL in sacks for the 2nd straight year and is also named to the Pro Bowl (Dec. 13), where he earned MVP honors, and set the official NFL record for sacks with 22. Joe Klecko, named as an alternate, also plays in the game following an injury to Bob Baumhower.

1985

NAMATH NAMED TO HALL OF FAME—Joe Namath, who was MVP as the Jets became the first AFL team to win the Super Bowl in 1968, became the team's first player elected to the Pro Football Hall of Fame (Jan. 29). Namath, the Jets all-time leading passer, also became the first Jet to have his number retired to go with this honor.

NAMATH HONORED—In an emotional halftime ceremony televised nationally on Monday night, Namath comes down from the announcers booth to have his number retired. The Jets also beat Miami 23-7 that night (Oct. 14).

OFFENSIVE EXPLOSION—The Jets scored the most points in club history while trouncing Tampa Bay, 62-28. The team racked up 581 yards offense while Ken O'Brien tossed 5 TD passes, 3 of those to Mickey Shuler.

LONGEST PASS—Ken O'Brien throws the longest pass in Jets history a 96-yard TD to Wesley Walker in a 27-7 win at Buffalo (Dec. 8).

FIVE TO PRO BOWL—The Jets send five players to the Pro Bowl. Freeman McNeil, Joe Klecko, Mark Gastineau and Lance Mehl are voted in and Ken O'Brien, named as an alternate, also goes following an injury to Dan Marino. O'Brien is also named MVP by his teammates (Dec. 18).

PLAYOFF CLINCHER—With a 37-10 victory, the Jets finished 11-5 and clinched their 3rd playoff spot in 5 years. Ken O'Brien becomes the first Jet QB to lead the NFL in passer ratings.

WILD CARD PLAYOFF—Turnovers are the story as the Jets commit 4 costly ones while dropping a 26-14 decision to the eventual AFC champions, New England. The Patriots score the backbreaking TD in the 3rd quarter on the return of a fumbled kickoff. Ken O'Brien suffers a concussion and Pat Ryan comes on to play the 2nd half (Dec. 28).

1986

OT THRILLER—In one of the most memorable games in club history, the Jets topped Miami 51-45 on a wild OT contest. Ken O'Brien, who was 29-43-479-4 TD, threw a perfect strike to Wesley Walker from 21 yards out on the final play of regulation to tie the score. In OT, Walker caught a club record 4th TD on a 43-yard bomb at the 2:35 mark. (Sept. 21).

RECORD SETTER—The Jets defense set a club record holding New England to 10-17 rushing in a 31-24 victory. Johnny Hector also set a team mark with 40 rushing attempts for 143 yards and 3 TD. (Oct. 12).

MEHL HURT—Pro Bowl LB Lance Mehl was lost for the season after suffering a knee injury during a 28-24 win over New Orleans (Oct. 26).

WINNING STREAK, GASTINEAU HURT—The Jets won a club record 9th consecutive game with a 31-16 decision over Indianapolis to improve to 10-1 on the season. The win was costly though, as Mark Gastineau suffers a knee injury which forced him to miss the rest of the regular season. (Nov. 16).

INJURIES MOUNT—Injuries continued to be the story as the Jets lost Joe Klecko and Reggie McElroy to reconstructive knee surgery following a 45-24 loss to Pittsburgh (Dec. 13).

PRO BOWLERS, MVP—Al Toyn, who set a Jet's record for catches in a season with 85 to finish 2nd in the AFC, is voted MVP by his teammates in addition to being named a Pro Bowl selection. Also named to the Pro Bowl for the first time is Mickey Shuler (Dec. 17).

WILD CARD PLAYOFF WIN—After ending the season with 5 straight defeats, Joe Walton named Pat Ryan as the starting QB for this playoff game, and the Jets won

their first home playoff contest since 1968 with a 35-15 trouncing of Kansas City. The key play of the game was Ryan's 24-yard run on a QB draw on 4th and 6 to the 9-yard line in the 1st quarter. The Jets took the lead 2 plays later and it set the tone of the game (Dec. 28).

1987

DIVISIONAL PLAYOFF—In one of the most disappointing losses in team history, the Jets lost a heartbreaking 23-20 decision in 2 OTs at Cleveland. The Jets opened a 20-10 lead with 4:14 left before the Browns mounted their comeback which tied the score. The Jets received a 2nd life in OT when Mark Moseley missed a 23-yard FG, but his 27-yard FG 2:02 into the 2nd OT sent Cleveland to the AFC championship game. The game was the 3rd longest in NFL history (Jan. 3).

MAYNARD VOTED IN HALL OF FAME—Don Maynard became the second Jet player elected to the Pro Football Hall of Fame, joining his teammate Joe Namath along with their coach Weeb Ewbank. Maynard, who had the second most reception yardage in NFL history, also became the second Jet to have his number retired to go with the honor (Jan. 27).

LEAHY REACHES 1,000—Scoring 7 points in an opening day 31-28 win at Buffalo, Pat Leahy becomes the 13th player in NFL history to register 1,000 points (Sept. 13).

PLAYERS STRIKE—NFLPA strikes pro football following the Jets-New England Monday night game after the 2nd week of the season (Sept. 22).

REPLACEMENT GAMES—The NFL canceled week #3 and prepares to play the schedule with new players and veterans who wish to return. Fielding teams of replacement players, the Jets lose to Dallas 38-24 (Oct. 4) and at Indianapolis 6-0 (Oct. 11).

PLAYERS RETURN—The NFLPA sends the players back to work but miss the deadline for playing week #6 (Oct. 15). In the final week of replacement games, the Jets beat Miami 37-31 in OT at home with Pat Ryan throwing 4 TD passes (Oct. 18).

MAYNARD HONORED—Flanked by fellow Jets' Hall of Famers Weeb Ewbank and Joe Namath, Don Maynard is presented his Hall of Fame ring and his number 13 is retired in a halftime ceremony (Nov. 1).

TOON EXCELS—Al Toon finished the season as the AFC's leading receiver and is named to a starting spot in the Pro Bowl. He also becomes the only Jet other than Joe Namath to be voted MVP by his teammates in consecutive seasons (Dec. 23).

1988

KLECKO WAIVED—Joe Klecko, the only defensive player in NFL history to make the Pro Bowl at 3 different positions (DE, DT, NT), was waived/failed physical after the club recommended that he retire. He turned down an opportunity to join the coaching staff in his attempt to continue playing (Feb. 8).

KENSIL RETIRES, GUTMAN NAMED PRESIDENT—Jim Kensil took medical retirement after serving 11 seasons as team president. Steve Gutman, the club's corporate treasurer and administrative manager since 1977, was named president to succeed Kensil (June 14).

LOST LINEBACKERS—The Jets lose 2 of their veteran LBs in training camp as former Pro Bowler Lance Mehl announces his retirement and Bob Crable injures his knee, undergoes reconstructive surgery, is lost for the year and retires after the season (Aug.).

GASTINEAU RETIRES—Citing personal reasons, Mark Gastineau leaves the team in midseason and announces his retirement. The club places him on reserve/retired (Oct. 21).

O'BRIEN STREAK—In the 3rd quarter of a 17-10 win at Detroit, Ken O'Brien throws his first INT in 211 passing attempts, the 2nd longest streak in NFL history at that point (Sept. 25).

BIG WIN IN MIAMI—Despite Dan Marino passing for the 2nd highest yardage in NFL history (521 yards) the Jets beat the Dolphins in Miami with rookie FS Erik McMillan recording 3 INT and returning 1 for a 55-yard TD (Oct. 23).

BRAGGING RIGHTS—The Jets beat the Giants 27-21 in the final game of the season to post a winning record in 1988 at 8-7-1 and in the process knocked the Giants out of the playoffs. Al Toon caught the winning 5-yard TD pass on a Ken O'Brien 3rd down audible with only :37 left (Dec. 18).

LEAHY ENTERS TOP 10—By scoring 112 points in 1988, Pat Leahy broke into the top 10 all-time NFL scorers and finished the year ranked 8th overall in league history with 1190 career points (Dec. 18).

HONORS—Al Toon became the 1st Jet to lead the NFL in receptions and to also be voted team MVP in 3 consecutive years. He was named to the Pro Bowl along with Mickey Shuler, who was the AFC's leading receiver among TEs, and Erik McMillan, who led the AFC with 8 INT, and was named NFL Defensive Rookie of the Year (Dec. 19).

1989

McMILLAN SETS INT RECORD—Erik McMillan returns an INT 92 yards for a TD vs. Indianapolis to break the 27-year club mark previously held by Wayne Fontes who had recorded an 83-yarder as a member of the NY Titans (Oct. 1). McMillan also tied an NFL record for most fumbles returned for TD in a season (2) when he had a 74-yarder at NO (Oct. 15) and 45-yarder vs. SF (Oct. 29).

MONDAY NIGHT HISTORY—The Jets share a moment of history on Monday Night Football when they play the Raiders in the debut of Art Shell, the first black head coach in the modern era of the NFL. The Raiders beat the Jets 14-7 (Oct. 9).

STEINBERG NAMED VP-GM—Following extensive interviews to find the best "football" man to take full charge of the team's operations, Leon Hess and Steve Gutman name Dick Steinberg, the former New England director of player development, as the Jets' Vice President and General Manager (Dec. 18).

HONORS—Erik McMillan makes it 2 in a row when he is once again named to the Pro Bowl team in his sophomore season, while WR-KR JoJo Townsell is voted MVP by his teammates (Dec. 19).

DISMAL SEASON ENDS—The Jets drop a 37-0 decision to Buffalo in the season finale to finish the year 4-12, the worst record since 1980. It becomes the first time in club history that the team was shut out in back-to-back home games (Dec. 23).

WALTON ERA ENDS—Citing the need for the team to get off to a "fresh start", Dick Steinberg announces his plan to dismiss Joe Walton and begin a search for a new head coach. Walton ends his 7-year reign with a 53-57-1 mark (Dec. 26).

1990

COSLET NAMED HEAD COACH—At the conclusion of his detailed search, Dick Steinberg decided on former Cincinnati offensive coordinator Bruce Coslet as the 8th full-time head coach in club history (Feb. 6).

UNIFORM CHANGE—For the fourth time in club history, and third in Jet annals, the Jets changed their uniform design. The team added a third color, black, to accent the green and white and altered the road uniform by adding green pants (Sept. 9).

FIRST WIN—The Jets registered their first win in the Steinberg/Coslet era in their home debut with a 24-21 win over Cleveland (Sept. 16).

FUTURE LOOK—The Jets get a look into the future as 1990 first round picks Blair Thomas (20-100 rushing) and Rob Moore (9-175-1 TD receiving) excel in a 37-13 win at New England (Sept. 31).

RECORD RETURN—Rookie WR-KR Terance Mathis tied an NFL record shared by three others when he returned a punt 98 yards for a TD in a 24-9 win over Dallas (Nov. 4).

JETS END SEASON ON UPSWING—The Jets wrap up the season with wins over New England and Tampa Bay to finish at 6-10. Pat Leahy was voted MVP by his teammates and finished the season with a team-high 101 points and a career total of 1,362 to move into the number seven spot in NFL history.

1991

LEAHY RECORD SETTER—Pat Leahy tied Jim Turner for 3rd place on the all-time FG chart when he hit his 304th at Detroit on December 8. He would also finish the season as the NFL's 3rd all-time leading scorer with 1,470 points in 250 games played (5th most in NFL history). Leahy finished the season with 108 points (26-37 FG, 30-30 PAT).

HONORS—WR and special teams standout Chris Burkett is voted MVP by his teammates. QB Ken O'Brien would be named to his 2nd career Pro Bowl after being chosen as an alternate (Dec. 18).

BACK TO THE PLAYOFFS—The Jets scored an incredible 23-20 OT win in Miami which put the club in the playoffs for the 1st time since 1986. After Miami scored the go-ahead TD with only :44 left, the Jets drove to tie the game on Raul Allegre's 44-yard FG with no time left and then won the game on a 30-yard FG at 6:15 in OT (Dec. 22).

McNEIL SETS NFL RECORD—By finishing the season with 51-300-5.9 avg., Freeman McNeil broke Joe Perry's mark and set an NFL record by having a 4.0 rushing avg. or better in all 11 of his seasons (Dec. 22).

WILD CARD PLAYOFF—In their 1st playoff game in 5 years, several 2nd half mistakes prevented the Jets from registering an upset win at Houston as they fell, 17-10. A costly INT at the H3 in the 3rd quarter, along with not being able to convert 3rd and 1 and 4th and 1 at the H3 in the 4th quarter would eventually haunt the Jets (Dec. 29).

HALL OF FAMERS

WEEB EWANK

HEAD COACH (1963-73)

GENERAL MANAGER (1963-74)

On July 29, 1978 Weeb Ewbank was inducted into the Pro Football Hall of Fame. Ewbank ranks 11th on the all-time coaches victory list with 130. He is the only coach ever to win World Championships in both the NFL (Baltimore 1958-59) and AFL (New York 1968).

Ewbank joined the Jets in 1963 as head coach and GM after serving as head coach of the Colts from 1954-1962. The 1968 season was a magical one for the players, coaches and the fans. The Jets went 11-3 and burst into the playoffs on the way to Super Bowl III versus Ewbank's former team—the Baltimore Colts. The New Yorkers shocked the world by defeating the Colts 16-7 (the 1st victory for the AFL in the Super Bowl).

Ewbank coached the Jets through 1973 before retiring. He has worked with some of the game's greatest legends including Joe Namath, Don Maynard, Paul Brown, Otto Graham, Johnny Unitas and Raymond Berry.

JOE NAMATH

QUARTERBACK (1965-76)

Joe Namath, "superstar", is an apt description for this Jets quarterback. He was a player who transcended the playing field to become a household name and put a whole league on the map, the AFL. Namath enjoyed a sparkling career and led the Jets to what experts call one of the greatest upsets in sport's history when he guided the team to a 16-7 win over the Baltimore Colts in Super Bowl III on Jan. 12, 1969.

Despite having five knee operations, Namath was one of the game's great quarterbacks and one of its most prolific passers. He was the first player to throw for more than 4,000 yards doing it in a 14-game season (1967). He still holds most of the Jets' passing records and for his pro career completed 1,886 of 3,762 passes for 27,663 yards and 173 TD.

Namath's 1965 signing gave the Jets and the AFL the credibility they needed and started the building to the Super Bowl championship. His legendary Alabama coach Bear Bryant said, "Joe Namath is the greatest athlete I have ever coached."

Namath was elected to the Hall of Fame on January 29, 1985.

DON MAYNARD

WIDE RECEIVER (1960-72)

At the time of his retirement, Don Maynard was the all-time leading receiver in NFL history. Maynard caught 633 passes for 11,834 yards (18.7) for 88 TD. His yardage still ranks 4th all-time and his number of catches is 7th.

Maynard was a four-time AFL All-Star and is a member of the All-Time AFL team chosen by the Pro Football Hall of Fame. He went over the 100-yard receiving mark in 50 games (still an NFL record). The El Paso, TX native joined the AFL in 1960 and was the first Titan to sign a contract.

His most memorable game was the 1968 AFL Championship in which he caught six passes for 118 yards and two TD (including the game-winner) to help put the Jets into the Super Bowl.

The Texas Western (now known as the Univ. of Texas at El Paso) alumnus was enshrined into the Hall of Fame on Aug. 8, 1987.

PLAYOFF HISTORY

1968 AFL CHAMPIONSHIP DEC. 29, 1968—SHEA STADIUM NEW YORK 27, OAKLAND 23

The New York Jets climaxed their finest season in history (11-3) by scoring a 27-23 victory over Oakland. A title game record crowd of 62,627 sat in on chilly and windy proceedings at Shea Stadium and saw Joe Namath toss three touchdown passes.

Despite the fact that Namath attempted a record 49 passes, the Jets still mixed their attack. Matt Snell and Emerson Boozer gained 71 and 51 yards, respectively, behind fine blocking from the front line.

The Raiders carried the game down to the final minutes before Daryle Lamonica's lateral pass for Charlie Smith rolled free and was recovered by the Jets' Ralph Baker.

The victory gave head coach Weeb Ewbank the honor of being the only coach to win titles in both the NFL and AFL.

SUPER BOWL III JAN. 12, 1969—MIAMI ORANGE BOWL NEW YORK 16, BALTIMORE 7

Defying the oddsmakers (17 1/2 point underdogs) and the strength of traditions, the Jets became the first AFL team to win the Super Bowl by rumbling over and through the Baltimore Colts to record a 16-7 triumph.

As it was in the AFL championship contest, Joe Namath led the way. The all-pro quarterback directed the Jets' attack flawlessly, driving the team to a second quarter touchdown by Matt Snell (four yards) and three second-half field goals by Jim Turner. Snell had an outstanding game, gaining 121 yards on 30 carries.

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harrassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

1969 AFL PLAYOFF
Dec. 20, 1969—SHEA STADIUM
KANSAS CITY 13, NEW YORK 6

The game was a classic battle of defenses, played in remarkably cold and windy conditions before a sellout 62,977 fans. Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jets 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incomplection and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

1981 AFC WILD CARD PLAYOFF
DEC. 27, 1981—SHEA STADIUM
BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TD and were now down 31-27 with 3:44 to go. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

1982 AFC PLAYOFF
JAN. 9, 1983—CINCINNATI RIVERFRONT STADIUM
NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl Tournament. The game was highlighted by Freeman McNeil's 202 yards rushing, the 3rd highest in playoff history, a TD pass from McNeil and a 98-yard INT for a TD by Darrol Ray to secure the win. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 21 times for 202 yards and one TD.

1982 AFC PLAYOFF
JAN. 15, 1983—LOS ANGELES MEMORIAL COLISEUM
NEW YORK 17, L.A. RAIDERS 14

The Jets sprung upset number two in the 2nd round of the Super Bowl Tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a Freeman McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

1982 AFC CHAMPIONSHIP **JAN. 23, 1983—MIAMI ORANGE BOWL** **MIAMI 14, NEW YORK 0**

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game, which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.

1985 AFC WILD CARD PLAYOFF **DEC. 28, 1985—GIANTS STADIUM** **NEW ENGLAND 26, NEW YORK 14**

New England came out on top 26-14 in a game that saw the Jets self-destruct. The Jets committed 4 costly turnovers which led to 17 Patriots points. New England, which went on to win the AFC championship, played an almost flawless game with no turnovers and only 1 penalty. The Jets were ahead 7-6, and driving late in the 2nd quarter when Ken O'Brien was intercepted on the 7-yard line. New England came back with a TD pass from Tony Eason to Stanley Morgan on a blitz 6 plays later. O'Brien suffered a concussion on the final play of the half on an Andre Tippett sack and would only play the first series of the 2nd half. Before Pat Ryan could relieve him though, New England added a FG and then scored a TD when the ensuing kickoff was fumbled by Johnny Hector and returned 15-yards by Johnny Rembert. With the Jets trailing 23-7, Ryan came in and directed a TD drive.

1986 AFC WILD CARD PLAYOFF

Dec. 28, 1986—GIANTS STADIUM

NEW YORK 35, KANSAS CITY 15

Joe Walton started Pat Ryan to give the team an emotional lift and it got just that from Ryan plus a key running play and a 3-TD passing performance. The club also received Freeman McNeil's 135-yard rushing performance to spark the Jets' first home playoff win since 1968. Trailing 6-0, Ryan ran a QB draw for 24 yards from the KC33 on a 4th & 6 play to set up the Jets' go ahead TD. On the 1st down of the ensuing series, the Jets defense forced a KC fumble and Ryan concluded a 12-play, 47-yard drive with a 1-yard pass to McNeil. Just prior to the half, Ryan hit Al Toon with a TD pass for a 21-6 halftime edge. The Jets nailed the victory on the 1st play of the 2nd half when Kevin McArthur swiped a Todd Blackledge pass and dashed 21 yards for a 28-6 margin. The Jets' defense allowed a season low 241 yards total offense and had 2 sacks, 2 INT and 1 FR.

1986 AFC DIVISIONAL PLAYOFF

Jan. 3, 1987—CLEVELAND STADIUM

CLEVELAND 23, NEW YORK 20 (2 OTs)

In the 3rd longest game in NFL history (77:02), Cleveland staged an incredible comeback to send the game into OT before Mark Moseley's 27-yard FG advanced the Browns to the AFC Championship game. With Pat Ryan at QB, the Jets jumped on top 7-0 following a flea-flicker 42-yard TD pass from Ryan to Wesley Walker. Ryan was forced to leave the game in the 2nd quarter with a groin injury and was replaced by Ken O'Brien. Meanwhile, the Jets defense was outstanding holding the Browns to just 10 points and 302 total yards until late in the 4th quarter. Immediately after a Jerry Holmes interception, the Jets took a 20-10 lead on Freeman McNeil's 25-yard TD with 4:14 remaining in regulation. Kosar led the Browns 68 yards to set up Kevin Mack's one-yard run to make the score 20-17 with 1:57 left. Cleveland's defense forced the Jets to punt with :51 left before Kosar's 37-yard pass to Webster Slaughter to the 5-yard line set up the tying 22-yard FG. The Jets got a 2nd life when Moseley missed a 23-yard FG 6:06 into OT, but he redeemed himself by kicking the winning 27-yard FG on a first-and-goal play from the J9.

1991 AFC WILD CARD PLAYOFF

Dec. 29, 1991 - Houston Astrodome

HOUSTON 17, NEW YORK 10

The Jets returned to the playoffs for the first time since 1986 and came close to registering an upset win at Houston. Trailing 17-10 with only :20 left at the H47, the Jets were unsuccessful in their attempts to tie the game on 2 Hail Mary passes, the last of which was intercepted to end the game. The game started with Houston taking the opening drive 80 yards in 16 plays for a 7-0 lead. After Erik McMillan's INT halted the Oilers' next drive, the Jets tied the game on Al Toon's 1st TD of the season, a 10-yarder from Ken O'Brien. Warren Moon tossed his 2nd TD pass of the game to Earnest Givens to give the Oilers a 14-10 halftime lead. Three key plays would doom the Jets in the second half. After taking the opening drive of the third quarter down to the H7 in 12 plays, O'Brien's pass intended for Mark Boyer was picked off by Bubba McDowell at the H3. Houston then drove 62 yards in 14 plays for a 53-yard FG to go ahead 17-10. On the Jets' next drive attempting to tie the game from the H3, Brad Baxter was stopped on 3rd and 1 for no gain, and then Freeman McNeil was halted on 4th and 1. The Jets got another shot when Lonnie Young's hit forced Moon to fumble at the H34 with 4:59 left, but the Oilers' defense stopped the Jets on 4 downs. The Jets' defense played extremely well holding the high-powered Houston offense to just 17 points while registering 4 sacks (2 by Mo Lewis), 2 FF and 1 INT. Toon tied for the 2nd most catches by a Jets' WR in a playoff game with 8-96-1 TD.
